Skilled Nursing • Respite Care • Rehabilitation Services

Please check our website or call for updated information about our visitation policy.

Masks Are Still Needed

Even if you've been vaccinated, wearing a mask is still necessary. Experts have not determined when masks will no longer be required. To protect yourself and others, continue to wear your mask, social distance and wash hands often. **More FAQs on the COVID-19 vaccine can be found here: bit.ly/391gem0**

Resident of the Month: Ray H.

Ray was born on June 25, 1945 in Evanston, Illinois. He grew up in Lincolnwood, Illinois/Chicago alongside his parents and four siblings. Ray was the middle child. He has been in Lake Geneva for 30 years. He has worked in Industrial Management in the city, specifically restaurant management.

Some of his favorite things to do are golf, read periodicals and sci-fi, golf, rock out to music and people watch on Michigan Avenue or by Lake Geneva. His favorite movies are Saturday Night Fever, Flashdance and Footloose. He loves the Christmas holiday season, eating ribeye steaks and red is his favorite color. Some of his talents include making people laugh, cooking good meals and eating. He says a secret that we might not know is that he is comedic, funny, and satirical. We enjoy having his sense of humor around!

Long Term Care Administrator's Week: March 8-12

On any given day our facility Administrator wears many hats. Responsibilities include managing finances, supporting staff, ensuring our residents are well cared for, updating and implementing procedures to comply with changing rules and regulations, creating a fun and comforting culture for the facility so residents and staff have a pleasant place to live and work, and so much more.

The last year has added even more to our Administrator's plate. Even with these increased responsibilities like monitoring PPE supplies, ensuring compliance with COVID-19 reporting requirements, maintaining a safe and healthy environment and organizing vaccination clinics, there's tremendous effort every day to ensure we continue our important work of caring for others. The dedication of our Administrator, supported by an incredible staff, is nothing short of amazing.

March 8-12 is Long Term Care Administrator's Week and we are so thankful for our administrators' leadership efforts. We hope you'll

join us in a big "THANK YOU!" to our Administrator for the many dedicated hours spent supporting our staff, residents and families.

5-star Google Review

"My mom was just placed here a few days ago, but my dad and I are already getting that 'warm fuzzy feeling' that you hope to have from staff that are taking care of a loved one. Thank you, Geneva Lake Manor, for having such GREAT employees."

WISH Rising Stars Scholarship

Scholarship Applications due March 30th

WISH scholarships are available to current employees and also high school students in WI and IL who are interested in post-acute care.
