Resident of the Month - Ann S.

This month's Resident of the Month is Ann Smith. Ann was born on February 15, 1958 and she grew up in Burlington, Wisconsin with her parents and one brother. Her career has included jobs at Echo Lake Egg Factory, Bruisers, and K-Mart. She got married to Ronald Smith on April 29, 1977 and has been married for 43 years. They have 2 children. She loves to play Bingo and cards. Her favorite book is the Bible, favorite movies are Matilda and Great Outdoors, favorite place to go is church, favorite holidays are Christmas and Easter. She loves all foods and her favorite colors are blue and pink. One of her talents is her ability to joke around and have fun with people. Something you might not know about her is that she is blind in one eye and can't see out of the other, but she is still full of life!

Check out WISH's New Video

During COVID, residents in senior care facilities have struggled while visitation with loved ones has been limited or restricted. In WISH nursing homes like ours, as in others across the country, employees stepped up and became like family to residents, helping to fill days with creative diversions and one-on-one activities, spending time talking and sharing, being a human touch, meeting needs, sharing a meal and a laugh or a smile. This video, parts of which were filmed here during the summer, shares the stories of some of the many special individuals who work here and at other WISH facilities during the pandemic.

Watch the video here: bit.ly/wishvideo1

CNA Arely Rocha was one of two employees filmed for Geneva Lake Manor's portion of the WISH video. Arely says she enjoys helping others and wants to become a nurse.

Employee of the Month: Jenny P.

This month we celebrate Jenny P. in our dietary department. She has been chosen as December's Employee of the Month. Jenny is a dietary aide at GLM. Before working at GLM she worked at a Girl Scout camp riding horses all day, and then took a job at a horse ranch. She said she was drawn to GLM because she has always enjoyed working with and being around people. In her spare time, she likes to spend time with friends, family, and her boyfriend Chad. Some of her hobbies are sewing and making bracelets. When

asked if she would like to switch jobs with anyone here for the day she said no, and that she enjoys the job she has. Jenny considers her greatest accomplishments since starting here to be getting to know what the residents like to eat and her good attendance record. Eventually she sees herself living in Arkansas, but we hope that's not too near in the future!

DONATE SAFELY AND EASILY ONLINE THIS HOLIDAY

Thank you to our residents, families and community for the thoughtful gestures of gifts and time this year. Your patience and support are treasured.

With the fiscal challenges of 2020, we again ask for your help.

Costs associated with COVID and care in general are daunting so we're asking you to please consider a generous donation to our facility this year-end. We are committed to high-quality, compassionate care for each resident, while supporting their families and our staff through this time.

Your tax-deductible gift helps cover resident care shortfalls and other costs so we can continue to care for as many as possible.

Thank you for placing a donation today. Do so online at our website and click on the DONATE tab, or mail a check to our administrator (made out to our facility). Thank you!
